

Youth Leader Information Pack

Creative Worship 2020 aims to equip, train up and release our young people in worship. To do this, we need to connect with youth leaders like you!

We believe worship is for all ages and we want to encourage young people in our churches and communities to encounter God, seek His presence for themselves and learn how to worship in a supportive and relaxed environment.

This one-day event will provide opportunities for growth, development and expression in Christian worship.

**"Train up a child in the way he should go, and when he is old,
he will not depart from it - Proverbs 22:6"**

Wirral Worship Collective is unique in that we are many worshipers, from many church backgrounds and denominations. We have worship leaders, pastors, tech teams, song writers, poets, psalmists and musicians to name but a few! All home grown here on Merseyside; ready to serve and share their worship experiences.

We have built a discipling culture that values peer teaching, support and mentorship. Creative Worship 2020 is an expression of this value and we pray that God raises up our young people to worship Him in spirit and in truth.

Each attendee will receive a **Conference Journal** which can be used to make notes, personal insights and what they have taken away from the day. We encourage you to follow up with your young people stirring them up to continue their worship journey in their personal time and church communities.

Group Offer

If you are part of a church or community youth group, **please bring your young people!** To encourage attendance **2 x Youth Leaders' can attend FREE** with any group of 5 or more young people aged 13 – 19 years can attend for only £5 each (we have done our best to make this affordable for everyone). You can book online here: <http://wirralworship.co.uk/creative-worship-2020/>

Alternatively, to pay by invoice, please complete the group booking form below.

Blessings in Christ
